

NEW PRODUCT

Wheel Centering Products from Specialty Products

Wheel Vibrations? Erratic Tire Wear?
Wheel Hop? Brake Pedal Pulsations?
Excessive Fuel Consumption?

If you are experiencing these problems, it may be because your wheels aren't centered on the hub. And if your wheels aren't centered, you will continue to experience these problems. With **Specialty Products' Wheel Centering Products**, you can re-center your wheel, and eliminate all of these problems.

Benefits...

**Increases fuel mileage • Increases tire life • Decreases tire vibration • Reduces tire cupping
Cuts rebalancing costs • Reduces "wheel-off" condition**

Perfect for...

Semi Trucks and Trailers • Heavy & Medium Duty Trucks • Parcel Package Trucks
Emergency Vehicles • Commercial Buses • School Buses • Motor Coaches

SPC 'EZ ON' WHEEL CENTERING TOOL SET PART #32111 \$79.95 EACH

Simply slide the 3 centering tapered tools over the wheel studs at the 12, 8, and 4 o'clock positions; mount wheel and add lugnuts; remove the tools and replace remaining lugnuts, torquing to manufacturer specifications. The wheel is now completely centered - **Problem Solved!**

Features	Benefits
Threadless Design	Saves Installation Time
Tapered Nose	Eases Wheel Mounting
Single Set	For Steer, Drive & Trailer Axles

Our new threadless design allows the installer to quickly and easily center the wheels to the hub. And our tapered design makes it easy to mount the wheel over the hub.

SPC 'EZ ON' WHEEL & BRAKE DRUM CENTERING SLEEVES

These sets center both steer axle HD wheels and brake drums to minimize wheel vibrations, brake pedal pulsations, and wheel hop. For both Aluminum and Steel steer wheels and a variety of brake drum types.

ALL SETS \$45.00 EACH

Wheel Centering Products from Specialty Products

Steer & Drive External Sleeves

For steer and drive axles. This wheel centering sleeve slides over the studs and seats against the wheel face. This sleeve stays on the wheel and helps to reduce "wheel-off" condition. Sold in sets of 6 per axle. Zinc plated to resist corrosion.
